

CENTRIFUGAL BLOWER PACKAGES

Custom Designed

GENERON represents a complete line of Roots® centrifugal blower packages. Centrifugal blowers deliver high efficiencies while handling a wide range in turndown. Adjustable inlet guide vanes and diffuser vanes can be controlled to enhance unit performance. API Standard Centrifugal Blowers are available. Lube Oil Systems can be integrated to package base or in a console. Contact our experienced sales team at **713.937.5200** or **www.generon.com** for more information.
