

As a specialist in air and gas compressor, filtration and drying systems, **GENERON** provides complete system design, installation and on-going maintenance for your system. Our engineers will assist you in determining the best system design for your application.

GENERON accommodates low ambient, outdoor, offshore, marine or hazardous location design requirements.

With a complete line of Compressors, Boosters and Air Systems, Aftercoolers, Dryers, Filters, ASME Tanks, Vacuum Pumps, Blowers, Lubricant, Parts & Repairs, High Pressure, Low Pressure, 0 to 2000 CFM, Compact with or without Wheels, **GENERON** is your total solutions provider.

GENERON systems are used in applications and industries including: vapor recovery, CO₂ removal, chemical and petrochemical industries, wastewater treatment, process vacuum, and environmental processes just to name a few.

GENERON has built thousands of packages that operate globally using most major OEM brands. With regulations like Quad O, it's important to be knowledgeable and prepared.

GENERON helps meet compliance regulations and improve efficiency. **Contact** our professional engineering team at **713.937.5200** or **www.generon.com** for more information.

Vacuum Pump & Blower Systems

Custom Designed Single & Two stage compressor packages. up to 5000scfm, 500psi.

Custom designed booster Compressor Packages up to 2000scfm, 10,000psi.

GENERON service personnel are factory trained and certified with global service centers ensuring product support 24/7.

ROTATING EQUIPMENT GROUP

Low & High Pressure Systems

FEATURING:

- Oil Free and Oil Lubricated Air & Gas Compressor Packages up to 10,000 psi
- Custom Engineered Compression Solutions
- Custom Controls and Automation
- Air or Liquid Cooling Systems
- Factory Testing and On-Site Start-Up Training
- Onshore and Offshore Applications

- Thousands of systems installed and operating worldwide
- 40+ years Industry experience
- ISO Certified Facility
- ASME Certified Shop
- UL/CSA Certified Panel Shop
- Turnkey Management and Consultative Services
- Global Product and Parts Support
- Maintenance & Service programs
- Compact Packages
- Consultative and Design services available.

AUTHORIZED PACKAGER OF:

LeROI, Sullair, Howden Roots, FPZ, Gardner Denver, RotorComp, Kaeser, Ingersol Rand, Kobelco, GEA, Mycom, York, GE, Ariel, RIX, HyComp, HII, Bauer, Sauer, Corken, LMF, and SIAD

Factory Testing and On-Site Start-Up Training
